SC PERFORMANCE GOAL

2010 Goal:

By 2010, SC's student achievement will be ranked in the top half of the states nationally. To achieve this goal, we must become one of the fastest improving systems in the country.

2020 Vision:

By 2020 all students will graduate with the knowledge and skills necessary to compete successfully in the global economy, participate in a democratic society and contribute positively as members of families and communities.

REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Britton's Neck Elementary School has accomplished many tasks and goals for the 2008-2009. Our motto is One Team...One Vision! We have provided many opportunities to build the home-school connection by inviting parents to Muffins for Mom, Doughnuts for Dads, Goodies for Grandparents, Family Reading Night, and Test Preparation Events. The faculty and staff have been busy preparing students for success. Teachers explored SMART goals and set goals to help students master challenging content. As students take a weekly benchmark test to assess mastery, the teacher monitors class mastery. Once a goal is mastered, a new goal is set. Teachers also have access to a data wall that allows them to track student progress. Bi-monthly data meetings are held to discuss interventions and student progress. Overall, the goals have served as a roadmap to success. With the partnership of Myrtle Beach First United Methodist Church, our students have been able to experience field trips to the aquarium. School supplies and t-shirts were also donated to our students from our business partner. The sense of community has been enhanced for teachers, students, and parents in an effort to promote academic excellence and student achievement.

Our school participates in the Reading First Initiative and Reading Recovery. Our school met all of its goals for the Focused School Renewal Plan which allowed us to earn satisfactory implementation. Our school also maintained its accreditation with the Southern Association of Colleges and Schools by completing a quality assurance visit. We strive to give our students opportunities for success and we look forward to many more accomplishments.
